

ATTENTION EXPORTERS

WHAT YOU NEED TO KNOW BEFORE AUGUST 7:

- ⌚ On August 7, 2006, PierPASS will implement a change in exporter procedure at the Ports of Long Beach and Los Angeles.
- ⌚ Exporters delivering containers during Peak hours (Monday through Friday, 3:00 a.m. to 6:00 p.m.) must claim the booking numbers of their containers before delivering them to the terminals. Booking numbers must be claimed on www.pierpass-tmf.org.
- ⌚ Export containers arriving at terminals without claimed booking numbers will not be accepted during Peak hours. They will be turned around and encouraged to use OffPeak gates. (Does not apply to TMF-exempt containers).
- ⌚ For exporters using direct pay methods (credit card, debit card or electronic check), all Traffic Mitigation Fee (TMF) payments for Monday-through-Friday periods are due prior to the following Tuesday.
- ⌚ For exporters using PierPASS Credit Accounts, all TMFs for Monday-through-Friday periods are invoiced the following Tuesday. Payment terms for credit accounts are net 10 days.
- ⌚ Exporters who are not current on their accounts will not be allowed to claim additional bookings.
- ⌚ If your company is not already registered with PierPASS, you can do so at www.pierpass-tmf.org. All fees may be paid through the website via credit card, debit card or electronic check. Credit accounts are available for qualified applicants.
